Student journals are part of the Skills Review Handbook and Game Closet by Big Ideas Learning, LLC. The publishers should restore access to over 500,000 books. The full potential of eMATHinstruction courses is unlocked when units and lessons are followed in order. Students learn skills early on that they build upon later in the course. Lessons can be used separately but work best with other lessons in this course. All lesson and homework files, including Spanish translations and videos, are available for free. Additional resources like answer keys require a paid membership. Algebra I members also have access to paid N-Gen Math Algebra I resources. For those using common textbooks from Houghton Mifflin Harcourt, Big Ideas Learning, CPM, McGraw Hill, or Pearson, Mathleaks offers solutions and answers for 8th or 9th grade Algebra I. Getting helpful math answers could be the key to understanding Algebra. If Mathleaks hasn't covered a specific textbook yet, their eCourses can serve as an online Algebra I textbook. The original content can be used independently or alongside textbooks with exercises, solutions, and tests all in one place.
